

# CSA Apologetics Class - 2015 Calendar

\*\* All class times are 5-7pm

- January 11**      **Tactics**  
Do you struggle with starting conversations? Do conversations usually turn into shouting matches? Learn some tried and true conversation tactics to help you become a better ambassador for Christ.
- February 8**      **Homosexuality and the Bible**  
Gay marriage is all over the news these days. As Christians, how are we to respond? What does the bible have to say about homosexuality?
- March 15**      **Science vs. Religion**  
“I don’t believe in God! I believe in Science!” Have you heard this before? Is there a fundamental conflict between science and religion?
- April 12**      **Evidence for Jesus Outside of the Bible**  
For some skeptics, believing that Jesus existed takes more than simply reading the gospels. They need extra-biblical evidence. Does such evidence exist? If so, is it enough?
- May 10**      **Biblical Prophecy**  
The bible made a lot of predictions about the future. So did Miss Cleo and Nostradamus. What gives? Can prophecy be an effective apologetic tool?
- June 7**      **Water Baptism**  
A lot of questions surround the issue of water baptism and it's role in Christianity. There's no doubt that this is an important topic, so every Christian would do well to study the 'what' and 'why' behind water baptism.
- July 5**      **Did God Command Genocide?**  
The Israelites sure seemed to engage in a lot of battles, and the commands came straight from God, including orders to wipe out every man, woman, and child. Did God command his people to commit genocide?
- August 9**      **Does the Bible Promote Slavery?**  
Civil War-era slavery had many proponents raising their bible as justification. Is it true that the bible condoned slavery? Why don't Christians own slaves today?
- September 13**      **Abortion - How Should Christians Respond?**  
Recent videos have brought the abortion issue back in the spotlight. How should Christians respond? How should Christians think about this issue? Does the bible provide any answers?
- October 4**      **Reliability of the Scriptures - Part 1**  
Have you ever wondered how we got our bible? How does the bible compare to other religious texts? Is there any evidence to show that it can be trusted?
- November 8**      **Reliability of the Scriptures - Part 2**  
Have you ever wondered how we got our bible? How does the bible compare to other religious texts? Is there any evidence to show that it can be trusted?
- December 6**      **Miracles - What are they? Is it reasonable to believe in them?**  
In this age of science and reason, can we really believe in miracles? What are they anyway? What are the implications of not believing in miracles?
